## **Long Time Moultonborough Employee Moving On**

The Town of Moultonborough congratulates long time Town employee and elected official Scott Kinmond on his selection as the new Town Administrator in New Durham, NH effective January 11, 2016.

Mr. Christopher Shipp, Chairman of the Moultonborough Select Board stated, "Scott has served the Town of Moultonborough as a loyal and dedicated employee and elected official for many, many years and he will be greatly missed. The Select Board members and I congratulate him and wish him great success in his new career."

Mr. Shipp also noted Mr. Kinmond will continue as the Town's elected Road Agent, but will no longer serve as the Town's Director of Public Works which includes managing the Town's Waste Management Facility and the Town's many public buildings and grounds facilities. The Select Board will be discussing the reassignment of the duties of the DPW Director and the option of asking the voters to change the position of Road Agent from elected to appointed at an upcoming Select Board meeting.

The Select Board will host an appreciation reception for Mr. Kinmond on January 7, 2016 at the Moultonborough Public Safety Building from 5-6:30 p.m. Light refreshments will be served.
